BOOTS & SHOES

Tell us not in idle numbers
That GROCERIES are high,
That our PRINTS are not fast colors—
(Competition we defy).

That the summer is not lingering
In our patent ARCTIC wear;
That our furs from far Alaska
Did not clothe a Polar bear.

That Old Boreas can whistle
Through the garments that we keep;
That a man should travel naked
When our stock for cash is cheap.

Ho! for CROCKERY and GLASS WARE,
And an endless lot of TOYS—
Things to make this merry Christmas—
For your little girls and boys.

For Old SANTA CLAUS is coming,
And he comes but once a year,
Make the little angels happy;
Wipe away the falling tear.

GROCERIES

Fancy articles in silk and
Satin, with a variety of
Plush goods peculiarly adapted
To the Christmas trade.—

All of which are useful
As well as ornamental,
Together with the latest, and
Most ingenious toys;

China ware, plain and fancy,
With cutlery, from the pen-
Knife to the cleaver;
Silver plated ware, and

A full line of dry goods,
Ladies and children's foot wear,
Together with trunks and
Valises, miscellaneous groceries,

And everything generally found
In a first-class country
Store, can be purchased
At Syverson's cheap for cash.
