

Miss Carrie Nierenberg was married to B. F. Richardson at Jamestown, N. D., on December 24, 1907. This item is given to us a little late but it is better late than never. The groom is a fireman on the Northern Pacific and the end of his run is at Missoula, Mont., which place the newly wedded young couple will live. Life will be all the brighter to them from the fact that they will have the COURIER sent to them every week. We join with their friends in wishing them happiness and prosperity.
