

Mr. and Mrs. Lars Skjelseth, of Sverdrup township celebrated their twentyfifth or silver anniversary of their marriage at their home last Sunday. Between fifty and sixty friends and relatives gathered together to help them celebrate this occasion. Mr. Andrew Vatne made a very neat speech touching upon this occasion and congratulating Mr. and Mrs. Skjelseth upon the twenty-five years of happy wedded life past and expressed the hope that they would experience many happy years more. The couple were remembered by their friends with substantial gifts of silverware. In the evening the company sat down to one of the finest suppers ever prepared by ladies who are past masters in the art of cookery. Our informant upon this particular point is Register of Deeds O. M. Westley who claims to be a good judge of a No. 1 meal. The evening was spent in social visiting and when it came time for the guests to depart for their homes each and every one left behind them hearty congratulations to the couple whose silver anniversary they had helped to celebrate.
