

A very quiet wedding took place at the Palace Hotel last Wednesday evening at which time Mr. Ben Anderson and Miss Alida Johnson were united in marriage by Rev. Oscar D. Purinton. Mr. Anderson and his bride are well known in Cooperstown and they have the very hearty best wishes of their friends for a long and happy life. Ben rather stole a march on the boys by keeping this little affair quiet but he fixed it all right the next day by setting 'em up all around.
