

Married—Nov. 30th, 1901, by Rev. V. H. Ruring, Mr. Olaf Johnson and Miss Bessie Johnson, both of Cooperstown. The contracting parties are well known to our readers. The groom is a popular young farmer living four miles west of town, and is in every way a model gentleman. The bride was one of our school teachers and has a large circle of friends. The Courier heartily joins with all their friends in wishing them a long and happy life. The happy pair will leave for Norway in a few days where they will spend the honeymoon visiting old friends and scenes. May they enjoy a pleasant trip and a safe return to Griggs county next spring.
