

CENTRAL CIRCUIT MEET

A Meeting of the Central Racing Circuit was held at Carrington on Tuesday to make arrangements for the coming season.

There was a meeting of the Central Racing Circuit at Carrington on Tuesday of this week at which the following towns were represented: Valley City, Courtney, Carrington, New Rockford and Harvey, there being no representative from Cooperstown and Jamestown.

The following dates were assigned the various towns for the season of 1906:

Courtenay, first week in July.

Valley City, second week in July.

Jamestown, third week in July.

Carrington, fourth week in July.

New Rockford, fifth week in July.

Harvey, first week in August.

There is also a possibility of Brinsmade and Minnewaukon being added to the circuit and Cooperstown signified her intention by phone of going in with the Southern Circuit, but that circuit has not yet held a meeting. This circuit expressed a willingness for Cooperstown to have the last week in June for her race meeting if she would accept of it and in case she will not accept it is expected that Lisbon, Wahpeton, Casselton or some other town in easy access to the Soo will take this date with the possibility of enough towns being added to start circuit during the middle week of June.

The meeting at Carrington was a fine success and was well attended and the interest was brisk, the session lasting from 1 o'clock p. m. until 8 p. m., at the Kirkwood.

The following officers were elected: C. McLaughlin, New Rockford, president.

J. H. Severne, Jamestown, vice-president.

H. N. Tucker, Courtenay, secretary.

Mr. DeLancy, Valley City, treasurer.

A number of resolutions were passed which would tend toward bettering the circuit and making it one of the strongest and if possible the most satisfactory to horseman of any in the Northwest.—Courtenay Gazette.
