

The City Election.

The annual city election was held last Monday and on account of the orderly and peaceful condition of our little city there was no opposition to the regularly nominated ticket and all were elected by a practically unanimous vote. The only change was in the first ward where William Stringer was elected in the place of W. J. Payne, removed from the city. The officers elected are as follows:

Mayor

John Syverson.

Aldermen, 1st ward,

Chas. Burseth,
William Stringer.

Aldermen, 2d ward,

R. S. Lunde,
Sam Sansburn

Aldermen, 3d ward,

N. A. Patterson
Marsar Cussons

While not seeing Mayor Syverson to ask about appointments the Courier has no doubt whatever but what the present city officials will be reappointed by him.
