The high school football team accompanied by ten girls chaperoned by Miss Brackney, and several other football enthusiasts went to Dazey last Saturday to play a game with a picked up team of that place. The game was called soon after the arrival of the train at Dazey. During the first half Cooperstown scored a touchdown. In the second half with four minutes of play left Dazey fouled on the forty yard line but refused to bring back the ball and receive the fifteen yard penalty. After considerable discussion the game was called off the score standing 5 to 0 in favor of Cooperstown.
