

Another old soldier was mustered out of the great army of life when at 2 p. m., last Friday afternoon, Samuel K. Norgaard, one of the early pioneers of Griggs county, passed to that bourne from whence no traveler returns. The deceased was 78 years old. He had been ailing from a general breaking down for some time, and for twenty three days prior to his death had taken no solid food. He was one of the early settlers in Griggs county and has been engaged in farming ever since he came here. He was a staunch supporter of the union and shouldered his musket at the call of duty to help carry the stars and stripes to victory and the union forever. He leaves a family of several sons but we are unable to give all the names. The funeral was held Monday afternoon, Rev. E. T. Silness officiating. The remains were interred in the Mardell cemetery.
