

Halvor Johnson died very suddenly at the hospital last Wednesday afternoon about 4:30, after an illness of about twenty-four hours. Mr. Johnson had his leg broken last July which was set by doctors elsewhere. A poor job was done and the leg was again broken and reset in the early part of the winter by our local doctors. He was getting along nicely from the second operation but his knee had become stiff and he went to have the knee bent. The operation was performed but it is said that as a result of a long cold ride to town he got a bad chill which turned into pneumonia and caused his death. The case is a very sad one indeed. The deceased was about thirty years old and leaves a wife and one child. The remains were taken to the home of Mr. and Mrs. E. E. Downe and the funeral occurred last Saturday afternoon at the Lutheran church. The remains were interred in the Cooperstown cemetery. The sympathy of many friends is extended to the bereaved family.
