

NRS. N. K. MARKUSON.

Mrs. N. K. Markuson passed away last Saturday afternoon at half-past four o'clock. About three weeks ago she was taken sick with pleurisy. Complications set in and kidney trouble developed which proved fatal.

Deceased was born September 23, 1876, and was the oldest daughter of Mr. and Mrs. Edwin Olson of this place. Ten years ago next June 27 she was married to Nels K. Markuson, our well known grain buyer. Three children were born to them; two boys nine and five years old respectively, and a girl three months old. Together with her husband and these three children, the parents, five brothers and two sisters of the deceased survive to mourn the removal from the family circle of this beloved one.

Mrs. Markuson was an unusually lovable person. Kindness and gentleness, those attributes so essential to a true woman, were the most striking features of her character. While Mrs. Markuson was with us, she was esteemed and loved by all who knew her; now that she has gone to the great beyond, she is mourned by all. None, however, can feel the loss so keenly as the husband who now is bereft of her who let the sunshine into his life.

The funeral will take place today, Tuesday, at 12 o'clock. Rev. P. A. Thoresen and Rev. Ofstedahl of Fertile, Minn., a brother-in-law of Mr. Markuson, will officiate. The interment will take place in the cemetery north of town. —Hannaford Enterprise.
