

Mrs. McDonald Dead.

Mrs. D. B. McDonald, who has been sick for quite a long time, died at the hospital in Valley City on Thursday morning last. She had been a sufferer from heart trouble and dropsy for some time and her death had been daily expected. The deceased was formerly Anna Martha Rickford and she was married to Mr. McDonald about four years ago. She was born in Mitchell county, Iowa, March 23, 1876. She was married to Arthur Know about twenty years ago and from this union four children were born, all girls, three of whom are now living. Mrs. McDonald was a good woman and was a prominent worker in the M. E. church at this place. The funeral service was held at the house in this city last Saturday morning at 10 o'clock, Rev. H. C. Kishpaugh officiating. The remains were then taken to Binford and another short service held in the church there then the remains were laid to rest in the Alfson cemetery where other members of the Rickford family are buried. Mr. Kishpaugh accompanied the remains to Binford and officiated. The bereaved husband and the little motherless girls have the sympathy of their friends in this hour of their great trouble.
