

DEATH OF MICHAEL DEEHR

222 566

The death of Michael Deehr, formerly of Deehr Postoffice, which took place at Rochester, Minnesota, two weeks ago, was a sad shock to not only the relatives, but to the entire community as well, he having been held in high esteem by all who knew him.

Deceased had been a sufferer for the past few years and had sought relief at different hospitals and at the hands of specialists, but his affliction was beyond the power of all to cure, and the patient sufferer finally yielded to the inevitable while at a hospital in Rochester. At the time of his death his son Henry was at his side, and after making the necessary preparations, the remains were brought home for burial. The funeral was held from the Catholic Church at Ottofy, and the remains laid at rest in the cemetery adjoining.

Deceased is survived by his wife, and, sons and daughters, the number of whom we are unable to state.

The sympathy of all their acquaintances is extended them in their sad affliction.

We offer an apology for our tardiness in this matter, but we were so rushed with our various duties last week, that we failed to attend to this important matter.
