

AUMOND ERLANDSON DEAD

After having been afflicted for several weeks with a complication of ailments, Aumond Erlandson who formerly lived about a mile north of town, was suddenly seized by an attack of paralysis of the throat, the first of last week, and his condition was thought to be more or less serious from that time on. He was given the best possible care continually, many from here giving all possible assistance in nursing him in addition to the medical care rendered, but, Providence decreed that the life was to be no more and at eleven o'clock Saturday A. M., the sufferer passed away being aged fifty-one years. His wife died two years ago leaving him with a family of seven children, the eldest of whom is a girl of only seventeen years, and, his circumstances being quite limited, he has had a very trying time during the last days of his life. Having lived the life of a devout Christian we firmly believe that he is now at peace with his God and we can again realize the eternal reward for having lived a useful life.

The funeral service was conducted by Rev. Dybvik at the home Monday forenoon, and interment was made beside the grave of his wife in the cemetery at West Prairie church.

Deceased had been a resident of the United States only about two years, he having come directly from Norway about that time. He has had many misfortunes and has struggled hard to make a living for himself and family. The children being bereft of both parents, are, under the extraordinary circumstances, deserving of the tenderest sympathies of the community.
