

Mr. and Mrs. A. H. Adrian departed  
last Thursday for Rochester, Minne-  
sota, where Mrs. Adrian will receive  
medical treatment at a hospital.  
She has been ailing for some time,  
and has treated more or less without  
apparent relief, and she has conclud-  
ed to try hospital treatment for her  
illness. We hope she will find per-  
manent relief and will soon be able  
to return fully recovered.
