

LOCAL OVERFLOW

The Binford Cornet Band has some very nice new music and the boys are getting it down in fine shape. This year bids fair to be the most successful thus far in the history of this famous organization. Binford has a good band, which is one of the best features of any town. Now, while we have a good band started and the boys are taking a lively interest in it a little financial aid occasionally from the business men to give the boys encouragement and help them along will be the proper thing and more progress can be made by the band. Look the matter up now and then and see if there is anything you can do to help along with the work.
