

Mr. G. J. Collett of Jessie, received the sad information from Mrs. Collett last Friday, that their seven-months old boy was dying. The message came by phone from Carrington, where the family is stopping until arrangements are completed for their removal to Jessie. Mr. Collett started overland at once, but as we have not heard the particulars at this writing, we are unable to state the outcome of the affair, but we sincerely hope that a change for the better took place in time to save the little one.
