

Martin Fredrikson, who has been working for so long as second man at the Farmers' elevator at this place, departed Saturday for Westedge, Barnes County, where he has secured a position as agent in an elevator. Martin liked Binford pretty well, the same as all do who stay here as long as he did, and it was with a feeling of remorse that he took his departure, altho he is bettering his condition to some degree. We wish him success in his new work.
