

Mr. and Mrs. Walter Gratias returned to Binford, Thursday of last week and they were tendered a hearty welcome by the Binford Cornet Band, of which Mr. Gratias has been a member during the past several months. The band had not been together since August 20, and only ten of them could be found for this occasion, but they did very well under the circumstances and tried hard to do the stunt even tho at a disadvantage. During the intervals between selections, the groom came out with his Tom Moores and the boys made a ready market for the same. Owing to the absence of John Knapp, our tuba player, that important instrument was very successfully handled by Mr. Walter G. Allen of McHenry.
