
GRATIAS ACCEPTS

R. H. Gratiyas has accepted the challenge of Nels Halvorson for a catch-as-catch-can wrestling match which challenge was published in the TIMES of November 8th. The terms however, will have to be changed for the reason that Gratiyas is in Canada on business and writes that he can not possibly arrange for a date sooner than sometime late in January. Halvorson named December 14 as the date, but we learn that he is willing to consent to a later date.
