

Mr. King of Cooperstown, brought a load of people to Hinford on Sunday with his Rambler Touring car. He took Mr. and Mrs. Durseth back in the afternoon and returned to take a few more passengers from Willow Lake to Cooperstown. On his trip to Cooperstown and back in the afternoon he was accompanied by T. K. Curry to whom he extended an invitation to accompany him, and we are pleased to say that the trip was a very pleasant one and was fully enjoyed by us. Mr. King has a number of autos and is running an auto livery at Cooperstown and he has all that he can attend to. He has associated himself with Chester Platt and the two are giving the people of the county seat very good service. Both are experts with the machines and it is a pleasure to anyone to take a ride with either of them.
