

LOCAL OVERFLOW.

Several of our young men have changed positions during the past week. V. M. Pike, who has been assistant cashier at the First State Bank has resigned his position and will depart the first of next week for his home at Glenwood Minn., for a visit after which he will return to Cooperstown, where he will accept a position in the post-office. Theodore Smoogaard, formerly book-keeper for O. S. Gunderson & Co., has resigned his position and has taken up the position at the bank, resigned by Mr. Pike. To make the circuit complete Carl J. Krogfoss has accepted a position as book-keeper for O. S. Gunderson & Co. This changes the boys around considerably and we hope they will all prosper in their new positions, altho we regret having Mr. Pike leave our town.
