

here with friends during train hours

Carl E. Peterson, our printer, after serving faithfully and creditably upon the TIMES for so many months, departed on Friday, last, for Red Lake Falls, Minn., where he has secured a position with the Courier. "Irish" is a good boy and a good printer, and we wish him success. As a result of the foregoing facts, the old man is left alone for the present, at least, so he asks his readers to kindly bear with him and pardon his shortcomings as they become manifest from time to time.
