
HORRIBLE ACCIDENT.

Young Girl is Run Over by Wagon With Father Driving.

The six-year-old daughter of Mr. and Mrs. John Borgerson, living about 25 miles northwest of Binford, at Freeborn, was almost instantly killed week before last by being run over by a wagon with her father doing the driving. The little girl was playing in the yard when her father drove in with a load of hay and did not see the little one. The screams of the girl attracted the father and jumping down from the load saw what had happened. Upon seeing her father, she exclaimed "you ran over me papa." She was taken to the house and died a few moments after. The parents are grief-stricken over the unfortunate affair.
