

Mrs. Clint Wilson and daughter, Mrs. Henry Asmus, were called to Lisbon, Monday, by the sudden death of Mrs. Wilson's father, W. G. Colton. He was 86 years old. He will be remembered by many Binford people, having visited here this summer. Though he was well along in years he appeared to be enjoying perfect health. Only a few days before his death Mrs. Wilson received a letter from him and he was apparently in good health then. The bereaved ones have the sympathy of a whole community.
