R. R. Raymond, formerly a resident of McHenry, died on Friday afternoon, September 13 of diabetes after having suffered a great deal from the disease for some time. He leaves a wife and child to mourn their loss which is a sad one and the many friends of the family deeply sympathize with them. Deceased will be remembered by the early citizens of Binford as an acquaintance worthy of their friendship and kindly consideration. He was a charter member of Binford Lodge No. 77, I. O. O. F. as well as a member of the Cooperstown Lodge A. F. & A. M. He was a young man of thirty-two years of age at the time of his death, and had always been highly respected by all who knew him. Cooperstown and Binford members of the Masonic lodge who could possibly arrange to attend the funeral which was held at McHenry Tuesday afternoon, went to that place to attend the services, which were conducted by Rev. Oscar D. Purinton of Cooperstown. The body was taken to Knoxville, Pennsylvania on Tuesday to be laid at rest with other members of his family.
