

We think it **A** wise plan to impress upon the

GOOD

people of this vicinity the advantages to be obtained in buying from us such material for their

FARM

buildings as they may require. We endeavor at all times to keep a

WELL

selected stock of Lumber, Lath, Shingles, Etc. necessary for the

IMPROVED

methods of building and you will find it

IS

our aim to please you and help you in the making of

A

correct bill for your work, A dollar saved lays the foundation for a

FORTUNE

and we are willing to help you save that dollar. Come and see us. We are especially prepared to fill Granary and Barn bills.
