

BINFORD WILL CELEBRATE THE GLORIOUS 4th

At a Mass Meeting Monday Evening Citizens Were Unanimously in Favor.

VERY GOOD ATTRACTIONS

Committee Already at Work Soliciting Funds and Laying Plans for the Biggest and Best Time Yet.

Binford will celebrate.

At a mass meeting held Monday evening at the opera house it was the unanimous opinion of those present that Binford should celebrate the fourth this year.

A committee composed of L. P. Larson, Geo. D. Bove and Martin Rood were appointed to make preliminary arrangements, such as the soliciting of funds, booking attractions, etc. An effort will be made to have every business place in town represented in the parade with a float, and to that end let every individual lend his assistance.

Manager Evers of the ball team is in correspondence with the Hopkins Bros.' lady team and has hopes of securing them for that day. They carry with them a canvass fence, grand stand, bleachers, and have a lighting device so night games can be played. They ought to prove a drawing card. It is also planned to have another game with some nearby town.

Besides the usual attractions, such as ball games, races of all kinds, a speaker will be engaged, and at no time of the day will there be a let-up in the program. The Binford band will furnish music all day. The entire program will be one continual round of rousing good time.

Watch the Times each week for further particulars.
