
A MASS MEETING

**A Mass Meeting is Called for
Next Wednesday Evening,
March 31.**

Members of the Binford band met with the new village board Tuesday evening and put before that body the proposition of buying the grand stand on the ball grounds west of town.

The band boys have put a good sum of money into the stand and are of the opinion that it should be village property. A grand stand is almost an essential thing where any sports are conducted unless a satisfactory agreement can be made as to its purchase it will be torn down.

It is for this purpose that the mass meeting is called—in order to give all an opportunity to express their sentiments. The meeting will be held in Nelson's opera house next Wednesday evening at 8 o'clock sharp and a good attendance is required.
