

Last week a deal was consummated whereby Larson, Ringlee & Co., became owners of the Corner Store, formerly owned by Peter P. Idsvoog. This company owns three other stores, two of them in this state and the other in Wis., thus showing that they are extensively engaged in the mercantile business. Mr. O. A. Holte, who is a member of the firm is manager of the store, and it is with pleasure that we announce to the readers of the Times that we have been personally acquainted with Mr. Holte for several years, and can assure them that he is a man of ability and integrity, which insures courteous treatment and fair dealings to all. Their ad. appears at the top of this page.
