

At the district meeting of the I. O. O. F. held here last Friday night, a good representation of the Cooperstown and Dazey lodges was present and their work was well put on, making the affair a most enjoyable one and of great interest to all. Editor Trubshaw and some other leading capitalists of Dazey and Binford bought a passenger train to run up in the night and take the boys home again as they hadn't time to wait until the next afternoon.
