

We neglected last week to mention the church supper given by the ladies of the Norwegian Lutheran church at the opera house, the previous Friday. The affair was far more successful than the ladies expected—the total proceeds amounting to \$153.55. A large crowd took advantage of the splendid supper provided by the ladies, and that all were pleased was shown by the extra orders desired. Many beautiful, as well as useful articles were placed on sale and brought a good price. The affair, as a whole, was the most successful of any of that nature and the ladies are highly gratified over the outcome.
