

## SCHOOL BOARD MET.

---

### Allow Bills and Make Appointment.

Members of the village school board were in session Tuesday evening and the business of the past month was disposed of.

The resignation of R. B. Vogen had been acted on at a previous meeting, and A. D. Shaw appointed to fill the vacancy. Mr. Shaw failed to qualify and Andrew Norstrum was tendered the appointment. It is expected that he will qualify at the next regular meeting.

A request was presented to the board asking that the children of A. H. Hogie, of Bryan school district, be allowed to enroll in the Binford school. The request was not granted, owing to the fact that the lower room is already taxed to its utmost seating capacity.
