

The vote taken upon the question of issuing bonds for the erection of a school house, last Friday, demonstrated that the more the people consider the question the more they believe that it is the essential question of the day to the citizens of Birtford as 37 votes were cast for it, and 2 against. At the previous meeting 16 votes were cast in opposition, but the have dwindled down to the small number of 2. The question is settled beyond a doubt. Building operations will soon be under way.
