

The Christmas tree and entertainment given by the school at the opera house on the evening of Dec. 25, was without one of the most brilliant events of the season. The songs and recitations were rendered in an admirable manner by the participants, which was striking-evident that it required no little time, as well as assiduous practice to master their parts so thoroughly. The teachers, Miss Mangen and Lee are deserving of great credit for the entertainment.

The opera house was packed to the doors, the seats were all taken before the entertainment began, and by 8:30 o'clock standing room could not be had.

The Christmas tree was fittingly trimmed with candles of various sizes and colors.

After the tree had been stripped of its presents, candies and fruits were passed around, after which the entertainment was brought to a close.
