

get things cleaned up as much as possible—especially on our main thoroughfare. There is a whole lot more to a celebration besides the usual attractions for that day—so let's get up and make an impression.

Old Settlers' Notice

Please remember our annual picnic in the grove at Fluto's bridge, on June 17th, and plan to be there. Bring your lunch baskets, and let us eat our dinners together once more as in the olden days. Tea, coffee and good drinking water will be furnished. There will be good speaking, good singing and music by the band. A novel feature of the entertainment will be a tug of war between Steele and Griggs counties, across the river. Steele on the east side and Griggs on the west. All members please call upon the secretary, pay your dues and get your badges. And all old settlers who are not members come in and join us.

Oscar D. Purinton,
Secretary.
