

# VITAL STATISTICS

Griggs County Had 15 Births  
and Six Deaths in Month  
of January.

The stork has got the angel of death on the run in North Dakota. The month of January vital statistics for the counties as revealed in the bulletin of the North Dakota state board of health which is just issued shows that there were 870 births in the state during the month as against 234 deaths.

The bulletin contains much interesting information regarding the battle that is being waged against tuberculosis. The bulletin:
