

NEW POSTMASTER.

F. G. Lewis Has Been Recommended to the Department.

Although no official appointment has been received, as yet, from the postal authorities, there is no doubt but what F. G. Lewis will be Binford's next postmaster, O. S. Gunderson having tendered his resignation when he removed from the village.

Mr. Lewis has received letters from Congressmen Gronna and Hanna stating that they had acted on the endorsement of the county committee and recommended him to the department, so all that remains is a wait of a few days until he receives his appointment.

Mr. Lewis will make a capable and obliging postmaster. The Times congratulates him on landing the "plum."
