

Mr. and Mrs. H. J. Maurer and daughter, Hazel, returned home yesterday from their stay on Mr. Maurer's homestead near Sedgewick, Canada. Both he and son, John, have proved up on their claims and now own some of the choicest land in the province. Mr. Maurer has turned his quarter over to his son, who will work them both, while H. J. and wife will remain in Binford. They are well pleased with the Canadian country, however. Crops up there and on the route home are in excellent condition. The other former Binford residents are doing well. The Austin Rorvig and Henry Peterson families will visit here after their fall's work is done.
