

Ingvald Nymoen, who has been employed as second man in the Farmers' elevator since early last fall, departed last Monday for Winnipeg, from which place he will be sent out to buy grain for the British American Elevator company. Mr. Nymoen is a thoroughly capable young man, and no doubt, will make good in the eyes of his employers. He made many friends during his stay here who regretted to see him leave, but all wish him an abundance of success in the north country.
