

Mrs. E. W. Sperry left on Tuesday for her home at Drake, having been present at the marriage of her brother, Martinus, to Miss Mabel Skoftad last week. Mrs. Sperry is well pleased with her new home at Drake, where Mr. Sperry is engaged in the newspaper business. He is giving the people of Drake a good, newsy paper, and the business concerns should "come across" with something a little more substantial in the advertising line.
