

Binford.

Last Sunday the friends and neighbors of Mr. and Mrs. Martin Steenerson, living four miles northeast of Jessie, gathered at their home and tendered them a surprise. The old couple were the recipients of many useful articles, such as dry goods, groceries and wearing apparel. Concluding their stay there the party adjourned to the home of Alfred Johnson, where they were given a royal reception. Mr. and Mrs. Steenerson are profound in their thanks for the many acts of kindness shown them.
