

The Times is in receipt of a letter of a letter from Oscar Torgerson, at Chehalis, Washington, with a check for \$1.50 for another year's subscription. Mr. Torgerson is prospering in the western country, and intended to come back here for a visit the past summer, but couldn't make arrangements so he could get away. He says a report has reached him that he had married a widow, but emphatically denies the charge.
