Pekin Herald: Born to Mr. and Mrs. Martin Fredrickson on the morning of March 11 a pair of robust twins, both boys, weighing respectively 7 and 7 1-2 pounds. The Herald is informed that they look so much alike that even Martin cannot tell them apart. Mother and boys are doing fine. Since this is the first occasion of this kind in Pekin, the Herald suggests the name of Martin as the first Mayor after incorporation. "Honor to whom honor is due."
