

## *Clarence Brill.*

Clarence Brill, son of Mrs. A. C. Brill, of this village passed away at the St. John's Hospital at Fargo last Saturday afternoon from an abscess on the brain. Last May he was taken to the hospital to be operated on for an abscess behind the ear and it is thought that that was the beginning of his awful sufferings.

Clarence was sixteen years old when he passed away, having been born in the year 1897.

Bright, happy and cheerful, Clarence carried sunshine with him wherever he went. He had always a smile and a pleasant word for his many friends. His death comes as a dark shadow to his relatives who loved him so dearly.

The remains were brought home Monday and the funeral services were held yesterday at 3 o'clock from the Lutheran Free church, Rev. Sweger preaching the services.

It is indeed a sad blow to the heartbroken mother and sisters and the sympathy of the entire community goes out to them.
