

**Death** occurred at the hospital at Valley City Tuesday morning at one o'clock. She was taken to the hospital two weeks ago to have an operation but was too weak to withstand the ordeal, finally passing away as stated. Miss Randi Greseth and Mr. Albert Goplin were married about two months ago and the brief union was indeed a happy one. The particulars at hand are very few, and we will try to give a more extended write-up next week.
