

Died Thursday.

Valley City Times-Record: Anton Jenson died on Thursday afternoon at two o'clock. His death occurred at his home on Normal Avenue and was the result of an attack of typhoid fever. Mr. Jenson's illness did not seem to be of a serious nature until Wednesday, when he took a sudden turn for the worse, dying on Thursday afternoon from heart failure. Mr. Jenson was 46 years of age, and was born in Wisconsin. He recently came to Valley City from McHenry and purchased the Lee Cowell residence on Normal Avenue, where the family now make their home. He leaves to mourn his death a wife and three daughters, and a brother who resides in Wisconsin. The remains were taken to Hatton, N. D., last evening where interment will be made, and where a son was buried, and whose death recently occurred here from drowning. The family have the sympathy of their many friends here in their bereavement.
