

impossible to do so.

Word was received here to the effect that Mr. and Mrs. Joe McCulloch, of Gull Lake, Canada, lost a daughter, who died some days ago of scarlet fever. The McCulloch's are well known here having been former residents of Binford. The family of Wm. Davidson, of the same place, and formerly of Cooperstown, has also had the scarlet fever, but are reported to be on the road to recovery.

"The Lolly 12" of 1913 were enter-
