

Williston next Monday.

Mrs. Ole Bakken and brother, Joseph Myron, returned from Zumbrota, Minnesota, Tuesday, where they had been called to attend the funeral of their father. The death of Mr. Myron was quite unexpected. He had been taking treatment in a hospital in Minneapolis since April first, for tuberculosis and heart trouble, and was apparently in fair health on Saturday, preceding his death on Monday. Deceased was 56 years of age and leaves eight children, five girls and three boys. The funeral was held from the home of Albert Goplin, in Zumbrota.
