

Rueben, the eight-months-old child of Mr. and Mrs. Clint Wilson, died Monday night, after an illness of two days' duration. Spinal meningitis was the cause. For a few days previous to Sunday morning, the little one was slightly indisposed but it was not considered serious at all. Sunday morning, when the mother was dressing the baby, the first symptoms showed itself. The baby went into a state of unconsciousness and remained in that condition till the last. The funeral is being at the Fouse today, Rev. Horstman, officiating. The sympathy of a whole community goes out to the bereaved relatives.
